Kramer 356 Telehandler	WNK41522HJTL D0105	Kramer 356 Telehandler, 2019 Model, 150 Hours, Ex-Demo, Call for Price.  The intelligent Kramer telehandler KT356 impresses with a high degree of safety and flexibility. The machine has a lift capacity of 3.5 tonnes and a stacking height of 6 metres. Its 136 hp engine and load-sensing hydraulics have sufficient power reserves to make it possible to work in all types of applications. The manoeuvrability of the telehandler, as well as the Kramer quickhitch plate, provide maximum flexibility and durability in daily application. The optionally available ECOSPEED drive system increases tractive force, thus also increasing productivity on the farm.	Call for Price
